

K-12 Reading in other Content Areas 1, 2, or 3 Semester Hour Course Syllabus

Please note:

This course is set up in Schoology as a 4 week course to help organize materials. This is a self-paced course and participants are able to do the assigned work in well under a 4 week period depending on your personal time restraints. Below is a list of the weeks with each type of media/assignment for that week. There are no tests or quizzes. There are mainly discussion boards so we can all

learn from each other. This is a pass/fail course so if participants do the required assignments, then the participant passes this course. Please note depending on the amount of semester hours you are taking, that will determine the amount of weeks you will complete in the course. We can discuss that through email. Please look at the following chart for an idea of the folders in the classroom:
